Coming Changes and the Shape of Things to Come

by Ken Purvis

We finally arrived at our anticipated Custard Creme Pie destination on the outskirts of Portland near the airport. Being it was late afternoon I suggested we go ahead and eat dinner saving the pie for dessert. Our waitress was a rather vivacious, elderly Italian lady from New Jersey. When she found out my two traveling companions were headed to South Louisiana at our journey's end, she suddenly got even more excited and began to tell her story. After Hurricane Katrina caused so much devastation to that area, she felt impelled to go there and offer help. Glowing as she shared her experience a lightbulb came on in my own mind. She went to turn in our order while a young male waiter who had been standing nearby overhearing our conversation approached us and said: "Mary is such a wonderful person. She took a week's vacation at her own expense to go and help victims there." Then he paused and said, "That is what I want to do someday." My lightbulb got even brighter.

After we finished our meal, including the very tasty custard pie, I went to pay the bill. It was the other waiter who rang us up, so I turned to him and said, somewhat prophetically, "You just might get to do that one day." Then we left.

(To Be Continued)

20-0827-01 NIGHT WORDS-I SEE A DARK SHADOW COVERING THE FACE OF THE EARTH

"I see a dark shadow covering the face of the earth, particularly across this nation. And its presence indicates a radical SHIFT or CHANGE coming as a result. Yes, Heaven will act upon the earth, because the earth is filled with violence and the heavens above are being filled as a result. The spirit of *animosity, greed, and violence* consumes the SOULS of many. Therefore, it is time to act in response lest it totally pollute the earth and every living creature in it.

Radical *changes* are coming -- *shifts* coming, and as you were previously told the time is coming when the *changes* that are occurring will overtake those who are the cause of the *violence*. Then will they realize they are not in control any longer and this which is acting upon the earth, and confronting them, is of a far greater power and force that is unstoppable.

Prayers alone will not prevent this. As you were told it must run its course until it completes it JUDGMENT and there is more than one judgment coming forth. It will be realized that this response from Heaven is very orchestrated and articulate, very specific, very swift in its response. And that which it addresses will find itself without escape. The words that you are to speak or give forth, the visions, the dreams that will come equally, will be detailed regarding these things. Their target will be very clear, very specific.

Let your own heart be free of judgment, animosity, and violence. You cannot move in MERCY with such darkness in your own SOUL. As you were told the time would come that you would WELCOME these things and realize the NECESSITY of their occurrence. Let Heaven respond. Let earth bow the knee. But this is a very significant SHIFT of the AGES that is occurring, a NEW DAY on the horizon.

Let your heart be centered and focused in such a moment to prepare you for the *shifts*, the *changes* that are coming. Nothing will overtake you by accident, but you will be drawn into such encountering moments to sense the force of DARKNESS erupting. Let your heart remain free of JUDGMENT and of VIOLENCE. Take no part in the DIVISIVENESS -- take no SIDE in other words. Rise above such CHOICES. It matters not which 'SIDE' you may be on; it is all CONFLICT and CONFUSION.

Stand fast in the DAY that is coming that your heart be not swayed or influenced through the rhetoric or the violence.

- Show MERCY.
- Show COMPASSION.

But do not get caught up in the conflict.

Prepare for INSTRUCTIONS to come. Words of INSIGHT are coming to show you how they will directly impact the face of the earth, as well as the heavens above and the earth beneath. Let your heart become free of its own resistance. The DAY is rapidly coming forth that casts its SHADOW upon the earth. Let LIGHT therefore arise in your HEART that you not be lost in the DARKNESS, caught up in the CONFUSION, or driven by the INSANITY. It is a DAY like no other before it. And you will be given advance NOTICE of these things as well as DIRECTIONS and INSTRUCTIONS coming to show you *what* you are to DO, *what* you are to SAY, *where* you are to BE and *who* you are to BE WITH. Take to HEART these things, for once they come there is no turning back, no repentance."
