

# PROPHETIC INDICATIONS

*A Publication of The Glorious Restoration*  
Coming Changes and the Shape of Things to Come

*by Ken Purvis*

Looking down into that steep valley I heard once again, "This valley will be flooded with water." I wanted to protest but "the eyes of my understanding were now being opened." By now it was clear to me that such catastrophes are the only means by which humanity turns toward one another with MERCY and COMPASSION, -- "*MERCY triumphs over JUDGMENT.*" The countless divisions that seem to exist between us are bypassed during such trying moments. We see each other as ourselves greatly in need of assistance. Another scripture came to mind echoing the words of the prophet Malachi"

"Behold, I am going to send you Elijah the prophet before the coming of the great and terrible day of the LORD. <sup>6</sup>He will restore the hearts of the fathers to *their* children and the hearts of the children to their fathers, **so that I will not come and smite the land with a curse.**" (Mal. 4:5-6)

Then these words came through quite clearly: "No longer call it 'JUDGMENT' but call it 'MERCY.' For if these things do not happen JUDGMENT will come from across the waters, and it will come *without* MERCY." Suddenly I was aware I was seeing China as if on a map. That, however, raised another objection as it sounded like one more 'conspiracy-minded' idea. I assumed it was referring to an outright war against our nation. Today, fifteen years later, it is not challenging at all to see the reality of such probability; especially in the midst of this present pandemic attributed to China as well as its rising belligerence toward the rest of the world, and especially toward the United States.

The few remaining days of that trip gave me time to ponder all I had experienced. It was clear I had been guided through a series of events designed to open my eyes and ears. "Call it not JUDGMENT but call it MERCY' would continually play over and over in my mind until this day. The following year (2007) would be a similar journey out west but with different emphasis. One specific moment stood out because of a word I received that gave me *see beyond* HOPE.

(To be continued)

**16-1123-01 NIGHT WORDS-PREPARE YOUR HEART FOR THE RECEIVING OF THAT WHICH SHALL BRING FORTH AN UNFOLDING OF EVENTS**

"Prepare your heart for the receiving of that which shall bring forth an unfolding of events, a *sequential* occurrence of events. For you have been told your assignment is to proclaim those events that will come across the surface of this planet, that will literally bring a CHANGE in the *appearance* of its *shape* and *form*. The words that you speak will be words of power and certain consequence announcing those things *which are to be*.

Let not your heart be resistant to such an assignment. For it is in the midst of these things and the words that you shall release, that a forceful impact shall come upon the nature of mankind

- to challenge his *position*,
- to challenge his sense of *superiority*,
- to challenge his sense of *rule* and *government* and *power*.

For it shall not be that such things continue as they are, for it races toward a certain destruction, the brevity of which calls into account an *attitude* and a *position* that has become extremely divisive and destructive. For mankind will be called into account

- for the position of dominance and rulership it exercises upon this planet,
- and the consequence of such actions as it affects ALL CREATION.

Therefore, prepare your heart to receive that which shall unfold and take precedence over those things now occurring on the face of this planet. For as you have already seen there is a force of DARKNESS covering this planet.

- There is a SPIRIT OF THIS AGE that is seizing the MIND and the HEART of humanity to bring into confrontation what is referred to as "The DAY OF THE LORD,"

for this is the "COURT" coming into judgment to require an *accountability* and a *responsibility* of mankind's attitude toward himself, toward creation, toward the future, and yet a consequence of its past. These things have been seeded into the heavens even centuries ago and now the BLOOD of INJUSTICE begins to CRY OUT for ACCOUNTABILITY.

Prepare your heart to receive what shall come to you as a sequence of appearances, a series as of pictures and events to unfold in specific detail. For it is not simply one event but *many events* that will occur *in sequence*, one following the other. But they shall unfold in sequence even as others are being given in detail. There shall be *a beginning*, *a continuation*, *a culmination*. And the things that you shall speak shall seed into the heavens a force of POWER and DESTRUCTION. They shall have their fulfillment.

For do you understand the things that were spoken even in Noah's day were to set forth to come in a specific *timing* and *occurrence*.

- Once they were released JUDGMENT was *established* and *set* as you were told.
- And those things that were to come forth in their day and in their time could not be turned back; it was already set in its course.

These things that you speak are not created by your mouth any more than the time you were told to tell the storm to turn back. These things are already in motion. They are already set to come forth. And they will come and there will not be a turning back *until* they have run their course. The only thing that shall turn back is the tide of destruction of humanity itself. For the DESTRUCTION that IS COMING has been building up through the centuries.

- It is the spirit of the AGE -- of a specific AGE – and
- it will be an AGE of ACCOUNTABILITY.

For MAN shall be held accountable for those things that have built up over the generations. The future of the SOUL of MAN is set to take its course *in response to the things that shall be*.

Let it not be to you as a sense of foreboding judgment or pain or consequence or harm even to you, but it shall be your own release *from* JUDGMENT when these things have been pronounced and spoken forth. For the impact of such things run deeper than the surface. They run deeper than appearance which is why they are NECESSARY. This is why you were told 'NOT TO CALL THIS JUDGMENT BUT TO CALL IT MERCY.' For it reaches into the SOUL of humanity. It covers a great span of time from the beginning until NOW.

And that which will shall be, will open up a magnitude of UNDERSTANDING in a depth this planet, this race of mankind, has never comprehended, having not understood its DESTINY. So that *which shall be* and that *which shall come*, and the sudden force of its impact, you are not to judge or resist but RELEASE. It is not for you to judge the Word but to release it and let It run its course. For what it calls for is a CRYING OUT of the BLOOD of HUMANITY and species and races that have long come and gone. But it shall be charged against this DAY that is coming forth. Again, 'call it not JUDGMENT but call it MERCY,' for it is its own judgment that is being brought into account. For MERCY shall know a depth of repentance in order to turn the destruction that is coming from this race of humanity.

Therefore, to cleanse the heavens, to cleanse the earth, and to cleanse the consciousness of humanity, do not regard these things as destructive and judgmental but as MERCY and COMPASSION. For the SOUL that must respond is deep and runs long, far beyond what you may understand or comprehend until you begin to see a TIDE of CLEANSING come upon this planet at last. For it shall run its course in full and not turn back until you finish your days of prophesying and speaking forth. And when those things are released and they have run their course,

- there will come a forceful CHANGE

- and all resistance shall be broken
- and destruction shall have run its course.

And, yes, even the conflict between Cain and Abel shall be COMPLETE.

- And MERCY shall come.
- REPENTANCE shall come.
- And the blood that cries out for JUDGMENT shall be *satiated* and *satisfied*.

And MERCY shall come and cleanse and set free the SOUL of CREATION that My WORD be fulfilled, and there be a return to LIFE and PEACE, GOODNESS and MERCY. And MY HOUSE shall be RESTORED, and MY SON shall be set free at last."
