A Publication of The Glorious Restoration
Coming Changes and the Shape of Things to Come

by Ken Purvis

In our last edition we referred to a particular Night Word we will continue with today picking up with the second part. It begins with an instruction I was given to "Turn Your Attention Now Toward the East." I have received several words over the years using this same directive, even the most recent ones. They seem to relate to both our nation's capital and the Far East, primarily China. Parallel to this is the thought that entrance into the Mosaic Tabernacle was from the east, following the course of the sun from east to west. Abraham came from the east to Canaan. The Garden of Eden was planted toward the east. *"From the rising of the sun to the going down of the same the Lord's name is to be praised."* And one passage I often relate to is, *"But the path of the just (righteous) is like the light of dawn that shines brighter and brighter until [it reaches its full strength and glory in] the perfect day"* (Prov. 4:18).

We are in a moment of SHIFTING in perspective, moving from one Age to another. From a spiritual perspective it is shifting awareness from the *outer world* to the *inner path* or *inner world*. It is a time of ever-increasing contrast as spoken by the prophet Isaiah:

¹"Arise, shine; for your light has come, and the glory of the LORD has risen upon you. ²For behold, darkness will cover the earth and deep darkness the peoples; but the LORD will rise upon you and His glory will appear upon you. ³Nations will come to your light, and kings to the brightness of your rising. (Isa. 60-NASB)

One chief characteristic of these words is the bringing to light those things hidden in darkness, from every soul of humanity to governments and other agencies who plot in secret from their own people. Nothing will remain hidden (Heb. 4:12).

In 1980 I was given a vision of a ripened wheat field ready to be harvested. Along with that picture was another one showing a large barn with a rough wooden plank floor--a threshing floor. That was followed with this statement: "I am going to sweep this house clean all the way to its foundation, for I will not bring a final harvest into an unclean house." I share that to introduce the second part of this word which continues the theme of "COMING CHANGES" but also includes a "COMING HARVEST."

"This is not about 'a great revival,' but is about a great RE-FORMATION as a TRUE FOUNDATION begins to emerge having been swept clean. Principles and doctrines of UNDERSTANDING shall begin to take shape as LIGHT comes out of the darkness and CLEAR SOUNDS begin to emerge like *the sounding of trumpets*. It will become obvious to those who are called by My name: This is not what you predicted; this is not what you thought. But now **it's time to take heed and respond and prepare for what's coming**. For every HEART shall be drawn into these moments to realize there is no need giving over to hysteria, panic, and fear. Wait for instruction and pay attention to clear voices. For the HEART of the people must UNDERSTAND your imagination cannot guide you. This is a time of great SEPARATION of the HEART when the DEPTH of BEING shall begin to arise like water arising from beneath.

The FLOOD comes and it will begin to arise, **but TRUE VOICES will begin to rise upon the FLOOD**. This is why I said you: 'Get you up on a high mountain and behold what is coming.' But look beyond the distress of nations and the turbulence of waters and the violence of tensions erupting. **Look beyond to a LIGHT arising**. For then it will become clear to a people:

- There's nothing here to hold on to.
- There's nothing here to put your trust in.

LET GO! RELEASE! The FORCE of the KINGDOM ARISES FROM WITHIN. **And the nature of what's emerging is the HEART of the SON arising to take his RIGHTFUL place in the THRONE**. They that know the NAME of the LORD will begin to call forth to receive *instruction, direction*, but *courage* as well.

Fear not these things coming. Simply take your place and let your voice be clearly established and your HEART made ready. For you been told previously the VIOLENCE shall not touch you. You will always be in an ARK of SAFETY as a place of HEART, a place of PEACE in the midst of a storm. MY WORD shall garner you, and gather you and gather a people to you, around you and with you. For you see

- there has to be a STABILITY that remains in the midst of all the turbulence.
- There has to be a STABILITY that GUIDES a people '*who walk by faith and not by sight*,' because in them is a spirit of UNDERSTANDING as it was with Daniel and his friends.

And even Scripture then shall become more alive as particular segments begin to come to light. There are KEYS even there.

Therefore, turn your *heart* and *mind* and *attention* toward this moment, and let your life begin to take on the shape and the formation of your true calling. It's time to WAKE UP and REALIZE what is standing at the door knocking even

now. PREPARE! For when this DOOR opens there will emerge FORCES that have been previously contained, SEALED that shall now be opened.

- **CHANGES are COMING.**
- **CHANGES in the HEAVENLY GUARD are coming.**

Open your HEART and receive, that you take your rightful place and stand in this moment. For your FAITH and TRUST will be vindicated but will also become clearer and more certain. And your voice will become stronger, and MY GRACE will always be *more than enough* for you."

Blessings,

Ken and Sally
