**Coming Changes and the Shape of Things to Come**

*by Ken Purvis*

*"Draw near to God and He will draw near to you."* Have you ever questioned the meaning of this verse since God is omnipresent, formless, beyond space and time? Being eternal He is eternally present in and to all His creation. Yet I think of the story in Exodus 3 when Moses was pasturing his father-in-law's flock in the wilderness and came upon a burning bush that was not consumed:

*<sup>4</sup> When the LORD saw that he turned aside to look, God called to him from the midst of the bush and said, "Moses, Moses!" And he said, "Here I am."*  
(NASB)

It was when Moses "drew near" to see for himself that the Angel of the Lord responded to him. Could he have ignored this amazing sight and missed what would be his destiny to lead Israel to freedom? What happens when we turn and focus our attention on the divine presence within? As written in Psalm 46:10, *"Be STILL and KNOW that I AM GOD;"* there is a waiting PRESENCE ready to reveal both our true identity and divine calling as Sons of God. In the Gospel of John Jesus made it clear that,

- *the Father is IN the Son and*
- *the Son can do nothing of his own initiative.*

Rather the Son is the dwelling place of the Father, and He manifests His Presence, Power and Purpose through the Son. This is the function of the Body of Christ, to manifest the Son of God whose will is to make the Father manifest to the world.

- When we *get still and go within*, we open the door of our heart to draw near.
- When we "walk in the LIGHT as He is in the LIGHT, we have COMMUNION one with another (1 John 1:9)."

We are presently living in a world, and particularly a nation, where internal violence and animosity is rising from the heart of humanity to reveal the spirit of *iniquity* or *lawlessness* that is bent on destruction, distortion, and deceit. Yet these things must run their course until mankind is willing to show MERCY and COMPASSION toward each other. I am adding a word previously shared but so relevant to this moment. May we in this Thanksgiving Season offer thankfulness and gratitude in place of judgment and conflict. In closing I share an important verse of admonition from the Apostle Paul:

*<sup>23</sup> Now may the God of PEACE Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ. (1 Thess. 5:23, NASB 1995)*

#### **19-1102-01 NIGHT WORDS-INTERNAL VIOLENCE IS AT THE CORE OF THE EARTH**

INTERNAL VIOLENCE is at the CORE of the EARTH and yet it will belch out, it will regurgitate out its contents. For **violence of the heart, thought, and mind, shall come to the surface and expose itself**. It shall take itself to war and expose the animosity, **the hatred that is at the core of the human heart**. The things that are coming forth that have been spoken to you that will be manifest, yet first will be spoken through you; will reveal the DIVIDE, the deep core of CONFLICT.

- Hearts are already at war.
  - Violence is already in the thoughts,
- but it shall take to the streets, and it shall come forth openly.

These things shall not happen all at once all over the entire planet, but they shall happen repeatedly. Yet you were told you would be safe from such violence; it would not touch you. The answer is to be joined together to a company of people through the WORD. A people who have the WORD in their heart are established in *faith*, in *confidence*, and in *trust*.

- These are they who are protected.
- These are they who are in the Ark of Safety that is being established through the WORD.

#### **Let it come forth from the heart that deep desire**

- to see a day of GRACE and MERCY and PEACE come forth
- to wash clean the spirit of iniquity, the spirit of lawlessness that runs throughout the earth.

Such a day is at hand for those who are willing

- to lay down their arms,
- to lay down their violence, their hateful thoughts, and recognize the INTERNAL CONFLICT -- the animosity,
- to attempt to uproot its violence.

The DAY will come. The DAY will bring itself forth into the open.

- But let your heart be aware of such animosity and **not get caught up in it.**
- **Let your heart find a place of stillness, rest, and peace and safety, that you not get caught up in the storm of violence."**

We wish each of you a blessed and peaceful Thanksgiving Day,  
Ken and Sally
