"Coming Changes and the Shape of Things to Come"

by Ken Purvis

A key characteristic of this present "SHIFT of the AGES," or between AGES, is CONTRAST. I find it interesting how the human brain is often referred to as "gray matter," which also indicates this idea of contrast I am speaking of. "Gray areas" refer to uncertainty, indecisiveness, or whatever seems difficult to define or distinguish. UNCERTAINTY is part of the human experience resulting from lack of true identity. If you explore the word "sin" as used in the New Testament, it is usually interpreted as "missing the mark," or "coming short of glory." Its origin goes much further back in time as found in Greek Tragedy where it relates to the "tragic flaw" of the leading character or protagonist in the story. It can be better understood as *"mistaken identity."* It is what leads to their downfall.

The greatest *tragedy* of human history might easily be understood by contrast between the character named Adam, who is referred to in Luke 3:38 as "the son of God," and who after his "downfall" fathered the human race apart from God and His Glory. As a result we all became identified with the darkness of *individuality* rather than as ONE SOUL. Yet our true origin is not through earthly birth or parentage, but as Sons of Light created by *the Father of Lights* or *spirits*. The apostle Paul would later write, *"we have been transferred from the Kingdom of Darkness to the Kingdom of God's Beloved Son."* Now IN CHRIST, or CHRIST IN US, we are being restored from the contrast of light and darkness to becoming ONE MIND again. In the ONE BODY of CHRIST, the MIND which once was ONE is being UNITED back with its HIGHER STATE of GLORY with the FATHER. Paul also wrote that there is NO DIVISION IN CHRIST.

Our present world is extremely divided and divisive. Through Heaven's intervention mankind will NOW be brought face-to-face with its own JUDGMENT and resulting consequences. Yet the Father of all grace, mercy

and compassion will through a priestly company of Sons bring forth "the restoration of all things."

21-0922 NIGHT WORDS-THE PURPOSE OF YOUR SPEAKING (Part 2)

"INSTRUCTIONS will soon come. You were told that 'detailed instructions would come,' not only communications about the things that are to come, but instructions must come equally to guide and direct and point toward. For you have been shown also that there are specific *locations* that will be targeted to focus attention, to point attention to the WORD itself, so there be no doubt this is not a freak accident, this is not a freak chance of nature.

This is the WORD--the SWORD going forth running its course. It will be guided; it will be directed. Therefore, let he who receives this word make ready and prepare the heart for

- the receiving of instruction,
- the establishing of intention, and
- the fulfilling of divine revelation.

For the human mind must be brought under subjection that the heart

- be free also of its iniquity (*lawlessness*) and
- return to a sense of purpose (*responsibility*).

For creation cannot continue until there is a perfect alignment of the HEART

- with every heart and
- with HEAVEN,

that every IMAGINATION be brought into subjugation, that the LIMIT be established so darkness can no more run its course. But understand that

- a NEW DAY *has* come.
- The SHIFT of the AGES *has been* initiated.

These things are already in motion. And as you also were once told they were spoken centuries ago. Now they are arising like bones rising forth. They are rising in their appointed time and in their generation, **for an appointed generation to run with them.**

A great SHAKING is coming forth. A great MOVEMENT is already in place and earth itself will react with force, even with violent force to penetrate every corridor, every secret place, every hidden thought, every wish for death and destruction.

- The WORD will penetrate the darkness and the darkness will not be able to resist it.
- The evil day has come but the LIGHT shall also overtake it.

And GRACE will abound in the heart of a COMPANY of people who have suddenly come forth, come into light, come into the open. And they will be a force of recognition; they will be a force of divine purpose."
