

## PROPHETIC INDICATIONS

### *A Publication of The Glorious Restoration* **"Coming Changes and the Shape of Things to Come"**

*by Ken Purvis*

For some time, I have been hearing, "I will put a hook in his jaw" in reference to Vladimir Putin. It reminded me of an incident taken from Old Testament history found in 2 Kings 18 and 19.

After Hezekiah became king over Judah and proved to be faithful to the legacy King David left his successors. He removed idolatry, defeated the Philistines, and rebelled against Assyria. Israel, his northern neighbor, because of their unfaithfulness to Yahweh were already taken captive by the Assyrians. Ten years later, "*Sennacherib king of Assyria came up against all the fortified cities of Judah and seized them.*" All that remained was Jerusalem, the capital of Judah, along with the Temple. Sennacherib demanded a certain amount of gold and silver and Hezekiah out of fear gave in to his demand. To do so he had to rob the temple treasury and strip gold from the Temple which he had previously restored. That, however, did not stop the pending invasion. He sent Rabshakeh (title of a high-ranking military officer) who publicly taunted the elders of Judah, mocking their trust that God would deliver them from his hand. After all, as he boasted, none of the gods of the other nations he conquered could save them.

Hezekiah in humility before God, "*tore his clothes, covered himself with sackcloth, and entered the house of the LORD.*" He then sent household officials and elders of the priests to Isaiah the prophet to inquire of the Lord, who then gave them this reply:

*"Thus you shall say to your master, 'Thus says the LORD, "Do not be afraid because of the words that you have heard, with which the servants of the king of Assyria have blasphemed Me. Behold, **I will put a spirit in him so that he will hear a rumor and return to his own land.** And I will make him fall by the sword in his own land."*" (2 Kings 19:6-7, NASB)

As I pondered the earlier statement, "I will put a hook in his jaw," I then heard the following:

“Putin, like Pharoah, will serve God’s purpose which has been to initiate the first DOMINO to fall. His action will trigger the reactions of other nations toward hostility. Yet he will find himself in disfavor with his own nation as **‘God will put a hook in his jaw’ and turn him back homeward to deal with troublesome issues facing him as a result of ‘his war.’** The reaction of his own people will dismantle his power and strip him of further ability to create havoc in the world. However, he has set the world on fire which will continue to burn causing numerous fires to erupt around the globe. Yet Heaven will respond by turning the wrath of nature against these disruptive forces forcing them to recognize they are no match for what they cannot control.” (March 3, 2022)

I sat on this for several days not feeling a release to send it out. I sought further understanding and was told there was much more to this word, and I needed to go deeper within to find it. That is when I heard the following:

“There is something far more INSIDIOUS about this whole present situation that is not being brought to light or addressed. And when you try to determine who are ‘the good guys’ and who are ‘the bad guys,’ you **fail to reach to the very ESSENCE and BASIS for this whole present conflict.**

- There is a move underfoot to completely UNDERMINE world peace and create or fabricate a situation of CONFLICT that will bring great disturbance through the airways.
- It comes from an UNSEEN source that is seeking to DISRUPT world order and set in place another PRESENCE or FORCE of reckoning.
- It will blindside even powerful governments and their leaders as to force a change of direction in how this present crisis is being handled.”

(March 8, 2022)

At this point I quote a statement I made in the previous newsletter:

“While Russian President Putin has made no secret of his intentions, being seen as the mastermind of this current conflict, **I would be as equally concerned about world leaders, including our own, who devise evil schemes that jeopardize the welfare of their constituents,** do away with free speech, open assemblies, personal liberties, wealth, and property holdings. For these are representing their own self-interests at the expense of those whom they supposedly serve. **This, too, will surface and be brought to light.**” (February 26, 2022)

There is a deeper source of conflict in our world that overshadows the present invasion of Ukraine by Russian forces. While it is not only “the first domino to fall,” and the beginning of many other disturbances to follow; it signals the presence of more insidious and powerful forces that oversee the nature of world conflict and subsequent collapse of governments and other powerful institutions that make up our world.

In conclusion I want to share with you a word I received the day the disastrous 2011Tohoku earthquake and tsunami struck Japan. It had the potential to affect the Big Island of Hawaii where I was living at the time due to the interaction of the platelets beneath the two islands. When I asked the Holy Spirit about it, I did receive a lengthy response. I want to share just a snippet with you as it encapsulates the body of that word:

“One of the major problems with this present order is that COMMUNICATION has been cut off as far as relates to interpersonal AWARENESS and APPRECIATION. The mindset of this present world is totally self-serving and self-seeking, which is why there is such a violent shaking now taking place in the earth. There will come about a violent struggle to bring about radical *changes* and *shifts* in the planet to throw off the yoke of control that binds the will of humanity. (Yet) There is a releasing of SOULS taking place in order to bring about those who will become guides or voices leading into the next era or AGE to come.” (March 13, 2011)

Sally and I extend blessings to each of you in the building UPWARD of our FAITH as ONE in CHRIST.

**Until we ALL attain to the UNITY of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ. (Ephesians 4:13, NASB)**
