"Coming Changes and the Shape of Things to Come"

by Ken Purvis

It was 15 years ago today I received the word that would forever change the course and direction of my destiny. I was staying at a hot springs resort near Death Valley when early in the morning I received the "COMING CHANGES" word. I will not go back into that story as it is told in an earlier issue (Volume 1, Issue 7) found at the following link:

<https://thegloriousrestoration.com/wp-content/uploads/2021/11/21-1021-PROPHETIC-INDICATIONS-VOLUME-1-ISSUE-7-copy.pdf>

As stated in that issue I sat on that word for a number of years due to its content. However, we really have little information biblically regarding what occurs in the COMING AGE following this present SHIFT which we are now in. Our present state of current events makes it much easier to recognize why and how such "changes" will occur and the necessity that they do.

I have since received numerous "Night Words," as I call them, which began in my first westward trip in 2006. The previous referenced word came the following year during the second trip. It would become the underlying theme of the many words I have since received. The following word is one of the most recent and speaks of new and unexpected events to suddenly erupt globally:

22-0719-NIGHT WORDS-LOOK UNTO THE EAST AND LOOK YET FURTHER BEYOND

"Look unto the east and **look yet further beyond**. For what is appearing upon the horizon, upon the scene, **shall be overshadowed by another event unexpected suddenly transpiring**. Forces have been marshalling, **gathering together to launch**

- **a surprise invasion,**
- **a significant attack that will have its trigger point and force the world to awaken and respond to the tension of the conflict at hand.**

While the rest of the world seems busily occupied in its own juggling act, **there is a certain power that has calculated its move and will bring a surprise attack**

that will cause a great imbalance in world power even **shifting the economy, swinging to one side** in such a disruptive way it will force other nations to have to react to avoid precarious developments from **completely undermining government** as well as **economic stability**.

This will be a surprise move, an unheralded and unprecedented attack. Such developments represent what was spoken to you previously like the eruption of a volcano. The pressure has been building up with great intensity out of sight, **but now it is going to make its play**, play its hand so to speak, and it will put the rest of the world on heightened alert, realizing this action, this motion, is already set and running its course. It is a surprise move, unexpected by most, but **the fuse is lit** and **the response will be forthcoming, unavoidable, with a great negative impact. For it shall**

- **loose into the heavens *radioactive material*** and
- **bring about a forced confrontation.**

You must understand and recognize **the timing of this moment has been carefully chosen** to **take advantage of lack of preparedness** as well as the elements being of such nature that it will only intensify its attack.

- **It will be like a fire out of control** and
- **its reaction will be spread globally.**

And it will be of such nature that it will expose the motivation of other nations and show how precarious the false sense of peace and unity that appears to exist among many nations. It is like every man for himself."

I will add one more word which would have gone in the last newsletter but was never finished. It addresses the hope of all who see beyond the darkness of destruction to the light of full RESTORATION:

17-0502-01 NIGHT WORDS-BEWARE OF THE COMING TIDE OF JUDGMENT

"Beware of the coming TIDE of JUDGMENT coming up on this world, that JUDGMENT may run its course and complete its course. But there is an ARK of SAFETY that shall rise above the FLOOD and lift a people beyond its grasp.

This FLOOD that comes from the mouth of darkness is JUDGMENT. It spews its anger, its hatred, its violence, to flood the world with DARKNESS. And I say to you the coming TIDE of JUDGMENT shall sweep the earth in its season and in its moment, but your HEART shall find refuge and safety in the GRACE of God. The force of LOVE that UNITES a people together as

ONE shall build a strong bond and shall raise up a CITY like a fortress high above the flood. For LOVE shall be the BOND that unites a people together as ONE and the strength of their light shall break the yoke of darkness and iniquity.

Let your HEART yield to the GRACE of God that you always be in His TIMING. Let your course always be directed FAVORABLY. Prepare your HEART for CHANGE -- changes that are coming forth. PREPARE your HEART for what is coming that the FLOOD not overtake you, but that you be lifted high above it. Let PRAISE arise in your midst and begin to stir in your heart an expectation for great things coming forth. For where there is gross darkness light will arise, a LIGHTHOUSE for those who seek the light.

For LIGHT shall always prevail over the darkness and LOVE shall characterize the HEART of such a people that their ANOINTING be a strong BOND and their light a strong WITNESS and their LOVE an unfailing SIGN of a PERFECT HEART."

"Peace I leave with you; My peace I give to you; not as the world gives do I give to you. Do not let your heart be troubled, nor let it be fearful." (John 14:27 NASB)

Blessings to each of you,

Ken and Sally
