## PROPHETIC INDICATIONS

A Publication of The Glorious Restoration

“Coming Changes and the Shape of things to come”

*by Ken Purvis*

The following communication is a word I received last month that goes into more detail regarding the eroding position of this nation in world order. It brings to light forces of darkness operating in secrecy to completely destroy what remains of democracy. Yet these forces are the result of the *mystery of lawlessness* working at the soul level of humanity. It goes all the way back to the *treachery* of Cain against his brother Abel, the polluting of the earth through the shedding of blood, brother against brother. I have attached two links to previous newsletters on this subject which you can open for more insight into this.

### **23-1111-02 NIGHT WORDS-THE SENSE OF TREACHERY UNDERMINING THIS NATION**

“The sense of TREACHERY that is undermining the *strength* and the *foundation* of this nation has yet to reach its full extent. Dark forces that undermine the integrity of government have long been at work from an intentional position to destroy its position in world order. There (are) forces that seek to take over, elite forces to take over and control and

manipulate even through *technology* the workings of government to dismantle the present order, and particularly this nation.

It must be understood there is no reversal of this treachery and betrayal. It is like this nation has been sectioned and parceled out till it no longer exists as what it once was. The strength of cohesion long ago has waned. The power to recover, to rebuild and restructure, is just not there. Various attempts to recover and reestablish some sense of order, having a strong position in this world, is beyond repair.

Heaven will intervene. It has, but it will much more so in the future to prevent total annihilation of government, world order, and peace. **For the purpose is to redeem a people who are a key to the future of a coming AGE.** There will be no resemblance, no comparison between the closing of this *AGE* and the beginning of the next. **That is why the SHIFT is necessary.** The chaotic upheaval of that which is surfacing, and all the darkness behind it being brought to light, must run its course. (Do not) get distracted with all the chaos and confusion, for it is only beginning. It is only surfacing now. But the degree of *treachery* behind closed doors must yet come to light.

Powerful figures have betrayed the confidence of this nation and its strength. It has been truly broken up and sold off and parceled out for other purposes, like a corporation broken up, dismantled, and resold to the highest bidder. For there are those who see the value of this country to serve their own end, not for the restoring of its strength. That is why you were told that 'democracy had ended and is being dismantled.'

Dark forces, elite forces, yet secret operations have been at work for some time. This is also why you cannot trust the media. You cannot trust what you hear through your ears to give you any sense of credibility of what is going on. Rather you must focus on instruction given that sees beyond this and builds toward a future day, but *not this one*. These things

must run their course that nothing remain hidden or concealed. All things being brought to light, it will hit people, it will hit the nation, it will hit those who still care about the integrity of its FOUNDATION. It will hit them with a major shock when they discover how much *betrayal* has been allowed to take place and undermine this nation. Those once trusted to the protection of its structure, its foundation and its history, have sold out. Those who clamor for power will take what they can get. But there is no heart left. There is no integrity left that can restore and rebuild what once was. No more human government can save this nation, or the world for that matter, because of dark, evil forces that have been unleashed. There is a darkness; there is an insanity, a blindness that has been released, a covering of darkness; a wave of darkness that has been released, covering the world.

LIGHT will not come from without. You cannot look anywhere outside yourself and find light. It only comes from *within*. Hence the necessity of *FELLOWSHIP in LIGHT--the fellowship of saints in light*. It is like an underground structure because it deals with the INNER PRESENCE of *grace, mercy, and peace*, found in the heart of those who understand their *loyalty* is to Heaven. And it must remain that way for it points to a *future day*, even as the Apostle spoke of 'a *BUILDING eternal in the Heavens, yet coming down upon the earth.*'

There is that which is being formed and structured in Heaven, or in the heavens, to raise up a people to restore a sense of *unity* in the heart, a sharing of *intent and purpose*, with a love of *righteousness*. For there can be no freedom apart from *righteousness*. There can be no sustaining order apart from *righteousness*. That is why the commandment was given, 'Seek *FIRST the Kingdom of God and its righteousness*,' because that is the *government* of the Kingdom of God. It comes from Heaven and it is established in the SOUL of a people who are being brought forth. 'A NEW ORDER (is) being raised up,' but it is like a people coming up out of the ashes to rebuild and to reestablish, but from the LIGHT

coming from deep within. Out of the fire will come *a purity*. Beyond the forces of destruction will come *a new raising up*.

Many voices will be raised up in this hour who see the DARKNESS coming, the undermining of the foundations of the earth, and yet the coming forth of a KINGDOM within a people, out of a SOUL restored, healed, and brought back into a Divine *focus, unity, and order*.

See beyond the things that otherwise would occupy your conscious mind. Look deep into the heart and see what is being birthed forth through a people. That is why it is a PRIESTLY ORDER or PRIESTLY GOVERNMENT that is arising to redeem the intent of humanity's occupation of this planet, to bring a transformation of *heart and soul and mind*, that a true *peace* and true *justice* may come. It is like the world being turned upside down. However, it has already been turned upside down; and now must it be turned back up, *restored to Divine Order* to be in line with Heaven. That was its purpose to begin with, to parallel Heaven's Will, to manifest through the heart, through faith, through desire, through intention, the Divine Order of Heaven.

Man chose to go his own way into the darkness. But LIGHT has come, and it is time to *'arise and shine, for your light has come,'* for the Glory of the Lord comes through the LIGHT and through the Company of LIGHT, shining forth within a people. There is no unity without light. LIGHT is UNITY. It is the basis of HOPE and true RESTORATION.

A GLORIOUS DAY will yet come beyond the destruction and the chaos. Out of the ashes will rise up what has been deeply buried within the SOUL of humanity, the MYSTERY unveiled, the HEART of Christ revealed, a New Day birthed forth. Heaven and earth shall once again be in *agreement*. Jacob's Ladder shall complete its *ascending and descending* order, the GAP being closed, the VEIL removed, the GLORY of God revealed, and a PRIESTLY COMPANY shall be the administrators of

GLORY. That is the *treasure of the soul*. That is its mission of complete *restoration and reunification* with all that is real, true, and of the Spirit.”

Sally and I want to take this moment to extend to each of you a joyful Christmas filled with HOPE and a New Year filled with PROMISE. 2024 will be a significant year of TRANSITION as it shapes the future of a people whose true destiny and purpose will come to light in accordance with the unveiling of CHRIST in a people as God’s Kingdom arises in their hearts to bring forth the Light of the World—“a CITY set on a hill.”

Blessings,

Ken & Sally
